

WHAT IS OFSOA?

The Oregon Fire Service Office Administrators is a networking and educational organization for administrative personnel serving Oregon Fire Service agencies - from Fire Chiefs and Administrative Assistants to Entry Level Clerk positions.

The organization evolved from informal networking to the formation of a state-wide organization in July 1991. The needs of fire service administrative personnel were identified, and in the fall of 1992, a mission statement, objectives, and bylaws were developed based upon those needs. Charter Officers were installed in January 1993.

Although emphasis has primarily been on meeting the needs of administrative personnel, anyone affiliated with a fire service organization is eligible for membership and encouraged to attend OFSOA-sponsored training activities. Associate memberships are also available.

In 1996, the organization began a process to re-evaluate its mission and establish goals to ensure that the needs of the membership are met. As a result of those goals, an Accreditation Program was developed to provide a process for members to track individual training and attain certification for various levels of achievement.

As the organization grows, its goals and objectives will change, but members remain dedicated to upholding the mission and values adopted by OFSOA.

Education

OFSOA holds an annual conference in October, a workshop in April, and regional one-day workshops throughout the year. The organization strives to offer affordable and timely education that will benefit office personnel in performing their jobs.

We provide many opportunities for networking with your peers. We believe that some of the best information can be obtained from informal discussions on the day-to-day workings and challenges of a fire service organization office.

Membership

OFSOA is a great way to meet friends that can be a resource to you in your job. Annual Membership is only \$40 and includes access to a resource document with fire agency budget and membership contact information. Our membership year runs from July 1 to June 30. To join or to learn more about OFSOA, visit our website at www.ofsoa.com or contact any Board Member.

OFSOA Statement of Values

Relationships

We value developing and maintaining relationships that are supportive and encouraging.

Image

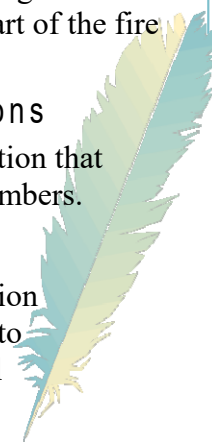

We value the professional image of our organization as an integral part of the fire service.

Communications

We value timely communication that supports the needs of our members.

Training

We value progressive education and training that is pertinent to the professional and personal growth of our members.

OFSOA ACCREDITATION

The OFSOA Accreditation Program is an optional program for the self-improvement of our membership. Though structured, it is an on-going and flexible program.

Each of the three Levels of Certification require a total of 52 hours of courses in the following categories: Office Management, Communications, Financial, Operations, and Interpersonal Dynamics.

Packets of the Accreditation Outline and Accreditation Documentation Sheets that explain the program and requirements are available at www.ofsoa.com/accreditation or upon request by calling Vickey Dosier at 503-390-9111.

Recognition for completion of Level I, Level II, or Level III will be made at the annual OFSOA conference each year.

Join today by contacting Membership Chair Bonita Johnson at membership@ofsoa.com or (541) 536-2935
